School Position on Bullying

The Scoil San Isadóir school community believes that each pupil has a right to an education free from fear and intimidation.

The teachers in this school together with other staff members seek, on an ongoing basis, to cultivate an environment in the school that is free from bullying.

This school regards bullying as a serious infringement of individual rights and a serious threat to the self-esteem and self-confidence of targeted pupil(s). Therefore, this school does not tolerate bullying of any kind.

Every report of bullying is treated seriously and dealt with, having due regard for the well being of the targeted pupil(s) and the perpetrator(s).

The immediate priority, should a bullying situation arise, is ending the bullying, (*thereby protecting the person(s) being targeted*) and resolving the issues and restoring the relationships involved insofar as is practicable using a 'Reform, not Blame' approach. See Code of Behaviour: Restorative Practise.

All pupils are expected to contribute to the creation and maintenance of a safe environment in the school. On becoming aware of any bullying situation in or outside the school, involving or having an impact on members of the school community, they should notify a trusted responsible adult. Bullying behaviour is too serious not to report.

Pupils' participation in school life in general is encouraged through existing school structures. Awareness of bullying, and willingness to take action to prevent or stop it, is part of this participation.

Anti-Bullying Policy

1. In accordance with the requirements of the *Education (Welfare) Act 2000* and the code of behaviour guidelines issued by the NEWB, the Board of Management of Scoil San Isadóir has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published in September 2013.
2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:
 - A positive school culture and climate which –
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community;
 - Effective leadership;

- A school-wide approach;
 - A shared understanding of what bullying is and its impact;
 - Implementation of education and prevention strategies (including awareness raising measures) that –
 - Build empathy, respect and resilience in pupils; and
 - Explicitly address the issues of cyber-bullying and identity-based bullying;
 - Effective supervision and monitoring of pupils;
 - Supports for staff;
 - Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
 - On-going evaluation of the effectiveness of the anti-bullying policy
3. In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted by an individual or group against another person (or persons) and which is repeated over time.

The following types of behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

This definition includes a wide range of behaviour, whether verbal or written, whether physical or social, whether targeting person or property, whether carried out directly or indirectly or through any electronic or other medium, which could harm a pupil or undermine her/his self-esteem or self-confidence.

Appendix 1 gives a list of specific examples of bullying behaviour. This list is not exhaustive.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*.

4. The 'Relevant Teacher(s)' for investigating and dealing with bullying in this school this year (as required in Procedures, Appendix 1 – *Template Anti-Bullying Policy* section 4) are indicated in Appendix 4 below, are Muinteoir Catherine/Muinteoir Sharon.
(*'At primary level, the relevant teacher will normally be the class teacher.'* Procedures 6.8.3)
5. The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity based bullying) used by the school include both of the following:
 - The anti-bullying module of the SPHE programme as it applies during each school year, particularly the relevant exercises from the "*Walk Tall*" and "*Stay Safe*" programmes, and
 - Awareness-raising exercises from the 'Awareness-Raising' strand of the *Anti-Bullying Campaign* programme, pro-actively explaining the nature and variety, causes, negative consequences and unacceptability of bullying.

Using a combination of exercises:

- Pupils are helped to examine the issue of bullying in a calm rational way, outside of the tense context of particular bullying situations and so become more aware of the nature of bullying and the various forms that it can take.
- Pupils are made aware that the consequences of bullying behaviour are always bad for those who are targeted, even if this is not always obvious at the time.
- Pupils are encouraged to recognise, reject and report bullying behaviour

Through presentations or other exercises, the school staff and parents/guardians are made aware of the nature of bullying and the signs that might indicate that a pupil is being bullied. They are encouraged to be vigilant in watching out for signs of bullying and to report any suspicion of bullying they may have Muinteoir Catherine/Muinteoir Sharon (in the case of staff members) or any staff member (in the case of parents/guardians).

6. The school's procedures for uncovering, investigation, follow-up and recording of bullying behaviour, and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows:
 - Muinteoir Catherine/Muinteoir Sharon investigates all instances of reported or suspected bullying behaviour in the school, with a view to establishing the facts and bringing any such behaviour to an end.
 - The School, through the 'Relevant Teacher' reserves the right to ask any pupil to write an account of what happened, as part of an investigation. This will be a standard procedure and does not necessarily imply that any pupil is guilty of misbehaviour.
 - Pupils who are alleged to have been involved in bullying behaviour are interviewed by Muinteoir Catherine/Muinteoir Sharon' acting *in loco parentis*, to establish the nature and extent of the behaviour and any reasons for it. In the event that they have been involved in bullying behaviour they are **asked to sign a binding promise that they will treat all pupils fairly, equally and respectfully, including the targeted pupil(s).**
 - Muinteoir Catherine/Muinteoir Sharon does not apportion blame but rather treats bullying behaviour as something that can and must be remedied. S/he emphasises that the intention is not to punish perpetrators but to talk to them, to explain how harmful and hurtful bullying is and to seek a promise that it will stop. If that promise is forthcoming and is honoured there will be no penalty and that will be the end of the matter. Pupils who report bullying therefore are not getting others 'in trouble' but rather enabling them to get out of trouble into which they may ultimately get if the bullying continued.

- When an investigation is completed and/or a bullying situation is resolved Muinteoir Catherine/Muinteoir Sharon will complete a report, to include the findings of the investigation, the strategy adopted and the outcome of the intervention, as well as any other relevant information.
- If a pupil has signed such a promise but then chooses to break that promise and continue the bullying behaviour, parent(s)/guardian(s) will be informed, at that "early stage," and requested to countersign their child's promise. Breach of this additional promise by further bullying behaviour would be regarded as a very grave matter and a sanction may be imposed by the school authorities (See sanctions below).
- All documentation regarding bullying situations and their resolution is retained securely in the school.
- Sanctions:

Where a pupil has been found to be engaged in bullying behaviour, has formally promised to stop and has broken that promise, any of the following sanctions may be imposed:

- For (first) breach of promise – i.e. a resumption of bullying behaviour – s/he may be required to sign another promise, this time countersigned by a parent/guardian;
- In the unlikely event of a further (second) breach of promise – i.e. a resumption of bullying behaviour – Muinteoir Catherine/Muinteoir Sharon may contact parent(s)/guardian(s) to inform them of the nature and extent of the bullying behaviour, to discuss the matter with them with a view to coming to a better understanding the reasons for the bullying behaviour, to suggest actions to be taken to help meet their child's needs and to agree a strategy whereby a promise to end the bullying behaviour would be honoured;
- In the highly unlikely event of a further (third) breach of promise – parent(s)/guardian(s) may be invited to a meeting with Muinteoir Catherine/Muinteoir Sharon and a sanction may be imposed in accordance with the Code of Behaviour of the school.
- In the extremely unlikely event of a further (fourth) breach of promise – the case may be referred to the Board of Management and a further sanction may be imposed in accordance with the Code of Behaviour of the school.

The school's programme of support for working with pupils affected by bullying is as follows:

- For bullied pupils:
 - Ending the bullying behaviour,
 - Changing the school culture through ongoing awareness-raising to (a) foster more respect for bullied pupils and for all pupils and (b) foster greater empathy towards, and support for, bullied pupils,
 - Indicating clearly that the bullying is not the fault of the targeted pupil (a reassurance bullied pupils often need), through ongoing awareness-raising and through the speedy identification of those involved in bullying and speedy resolution of bullying situations and, after resolution, enabling bullied pupils to complete a victim-impact statement,
 - Making adequate support and/or counselling facilities available to pupils who need them (who seem less resilient and are slower to recover, make friends and enjoy school life again), within or outside the school as applicable, in a timely manner,

- Helping bullied pupils raise their self-esteem by encouraging them to become involved in activities that help develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school).
 - Implementing a 'buddy system' in the school (*if applicable*).
 - For bullying pupils:
 - Making it clear that bullying pupils who reform are not blamed or punished and get a 'clean sheet,'
 - Making it clear that bullying pupils who reform are doing the right and honorable thing and giving them praise for this,
 - seeking other ways to "catch them doing the right thing" and giving appropriate praise,
 - Supporting them to overcome learning difficulties through Support Staff provision and to overcome emotional and/or social difficulties through class management and pastoral care within the school,
 - Helping those whose self-esteem is low by encouraging them to become involved in activities that develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school),
 - Using learning strategies throughout the school and the curriculum to help enhance pupils' feelings of self-worth, including creating opportunities to use appropriate praise,
 - In dealing with negative behaviour in general, encouraging teachers and parents to focus on, challenge and correct the behaviour while supporting the child,
 - In dealing with bullying behaviour seeking resolution and offering a fresh start with a 'clean sheet' and no blame in return for keeping a promise to reform.
 - Making adequate support and/or counselling facilities available to help remedy underlying issues for those who need them, within or outside the school as applicable, and to help them learn to meet their needs without violating the rights of others,
7. Supervision and Monitoring of Pupils:
The Board of Management confirms that appropriate supervision and monitoring policies and practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.
8. The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps as are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.
9. This policy was adopted by the Board of Management on 20/10/2022 [date].
10. This policy has been made available to school personnel, published on the school website (*or where none exists, is otherwise readily accessible to parents and pupils on request*) and provided to the Parents' Association (*where one exists*). Tools to Rapidly Uncover and Resolve Possible Bullying Situations

Every incident or suspicion reported must be investigated and dealt with.

There follows a complete list of tools/pages for the various stages of investigating bullying. In most cases, however, only the following need to be used:

- **Essential Step 1** (back to back) to record any report of bullying and progress in dealing with it.
- **Essential Step 2** (back to back) to remind pupils of no blame approach and then carry out a whole class survey.
- **Essential Step 3** (back to back), to guide conversation with pupil to establish if bullying did take place – allow up to 30 minutes per pupil.
- **Essential Step 4 (a) or (b)** - if bullying has been confirmed, a first promise not to bully or a second promise, if needed (supported by a parent).

Some of the other tools/pages may sometimes be helpful in more difficult cases.

FULL LIST OF TOOLS/PAGES

1 If a report of possible bullying is received from

sign a "Joining-In" promise form, enabling them to admit any involvement in the bullying and promising that in future they will not join in.

- 3 Speak with any alleged perpetrators using the **Essential Step 3** "Alleged Bullying Interview" form. In the conversation use the "Bullying Behaviour Checklist" to establish the nature and/or gravity of the behaviour.

If necessary, (though it is seldom necessary), ask each identified witness to individually complete an "Incident Observer Report" form.

If necessary (in the unusual event that sufficient information has not been forthcoming through the survey), organise the Anti-Bullying Team to use the "Whole Class Individual Interview" form with all class members individually within one class period.

If necessary, seek staff feedback using the "Suspected Vulnerable Pupil Alert," "Pupil Friction Alert" or "Named Bullied Pupil Alert" notices.

4 As **Essential Step 4** ask each confirmed
